## Meeting with Westminster Woods Art Class

THANKS TO JWS VOLUNTEERS WHO HAVE BEEN SUPPORTING THE WATERCOLOR CLASS AT WESTMINSTER WOODS!

**WE NEED MORE VOLUNTEERS TO SUPPORT THIS EFFORT!  
CONTACT TUNI WEISS (540-4040) TO VOLUNTEER!**

The class is every Wednesday 10:00-11:30 but participants can stay until noon. There will only be 10 residents in the class. There are some supplies in acrylics, mainly student grade at best.

They like most subjects in realism and some have their own supplies (not necessarily better than student grade). Subjects we have been exploring are

- Flowers
- Landscapes
- Still Lifes

They are willing to work on the same subject for several sessions to complete the painting project.

This is our chance to repay Westminster Woods residents for their hosting of our Fall Show. Please help by volunteering to help with a session

### Speaking of Volunteers—We Need Some Assistance with Meeting Setup

Our monthly meeting runs from 7 pm till 9 pm, and the start and end times are very important, because we have to be out of the building at 9 pm and we want our guest artists to have adequate time to demo, so we begin promptly at 7. Members usually stay on hand at the end of the meeting to help quickly put chairs and tables away and break down the tv and get it into the car (Thanks very much!).

However, *we need several members to come at least 30 minutes early to help with setup so that we can start right on time.* With several people helping, setup goes quickly and easily. It's fun to work with JWS members—they speak art! Please join us at 6:15/6:30 to help out.

**If a lot of members come early, we'll just have extra time for socializing after setup!**
